MOP POLISH

PROPERTIES:

Removes dust and dirt. It is a silicone and solvents compound, essential for maintaining and increasing its natural lustre. Cleans, protects and shines in dry parquet, terrace, marble, linoleum, stone, plastic or Formica, skay and vinyl. Provides a very rapid cleaning and an immediate gloss to the treated surface, which prevents the adherence of dust and dirt, facilitating and improving its maintenance.

APPLICATION AND INSTRUCTIONS FOR USE:

Shake the bottle well before use. Spray from approximately 20cm onto a mop or directly onto the surface to be treated, holding the container upright.

EAN Code: 8410836202356
Packaging: 750ml
Units/box: 12
Boxes/pallet: 72

FLOORS

FLOORS

FURNITURE CLEANER

PROPERTIES:

Specially formulated for cleaning of wooden surfaces, as well as plastic, chrome, marble, ceramic surfaces etc. Cleans and shines in a single wipe using a cloth.

APPLICATION AND INSTRUCTIONS FOR USE:

Shake the bottle well before use. Spray from approximately 20cm directly on the surface to be cleaned keeping the container upright and then wipe using a soft cloth. A single wipe is enough to eliminate the dust and dirt.

EAN Code: 8410836202417
Packaging: 400ml

WC ACTIVE FOAM

PROPERTIES:

It is a comprehensive exclusive use treatment for toilets, just pour the contents of a sachet into the toilet. It is a product created exclusively for the professional channel, saving time and money in cleaning toilets.

APPLICATION AND INSTRUCTIONS FOR USE:

Pour the contents of the sachet into the toilet water. In a few seconds a cleansing foam will form. Leave the foam for 10 minutes. A brush can be used to distribute the foam over the entire surface of the toilet. For a thorough cleaning and bleaching of the brush, leave it soaking in the foam for at least 2 hours. The product works, even after the foam disappears.
